A Note from Brother David,
November 2020

Dear Saint Anthony's Family,

WOW! Can you believe it? It really is November!!! So welcome to the month where we will spend time Giving Thanks for all of the Blessings we have received.

October afforded us with many opportunities for Prayer, Academic Success, Competition on the athletic field, Halloween Fun and a welcoming atmosphere by the SALT members to encourage our Freshmen Friars to get more involved. All in all, it was a rather busy and most productive month.

As we look forward to November, we are reminded that it is the Month to remember all of our Dearly Departed who now join the Communion of Saints. We can learn much from those who have gone before us and we now stand on their shoulders to not only honor but also continue their legacy in our lives. The month ahead continues with our retreat program for the Seniors, Sophomores and Freshmen, I have had the opportunity to participate in each of them and found that experience very rewarding.

November also signifies the end of the First Quarter; I do hope you will be pleased with your child's work. I want also to urge our Campus II and Campus III families to evaluate your Campus Choice and perhaps make a change to return to Campus I. There really is no substitute for In Person Instruction.

Just around the corner, we will have our Fall Drama Production. The cast, crew and directors have all worked very hard to produce a quality show, especially with the limitations placed on us by the virus; I look forward to seeing the finished product. Our Fall sports season will soon come to an end and we will be able to thank the athletes, coaches and staff for their efforts. In a particular way, I want to thank our Senior Class athletes for their efforts not only during this most unique season but for their contributions to the team over the past four years.

Our annual Thanksgiving Food Drive is upon us. With the Virus still with us, the need to assist so many with Food especially during this Holiday season is more needed than ever, I encourage all of our families to be as generous as possible, there is a great need out there and anything we can do to assist so many food pantries will be most appreciated.

Believe it or not, it is time once again for the Entrance Exam for Catholic High Schools. This year the exam will be ONLINE and given on November 7. If you have not already signed up for TACHS EXAM, please contact our admission office and they will assist you with information and the next steps in applying to Saint Anthony's High School.

I have been meeting with the faculty to discuss how we all can integrate the Principles of Catholic Social Teachings in our classrooms and the lives of our students. I have been so edified by the response of the faculty, their care and compassion for the students is truly second to none.

It certainly has been a most unique and for many a trying time in our lives, some may even wonder if it is possible to offer thanks for their blessings during the year 2020. With that said, I can honestly say I am most grateful for what I experience here every single day at Saint Anthony's High School. I see students happy to

norm to reach every child. I see Parents who sacrifice to send their child here and make this a Priority in their life. I see Christ walking the halls in the person of a student, a teacher, a coach, a staff member all trying their best to live out the Message of the Gospel.

So for me, I continue to Thank My God for the Gift and the Blessing of the Saint Anthony's High School Community. Please know that this Thanksgiving, I will Thank God for allowing me to be part of this family. Thank you for all you do for this school and for me personally, I feel so blessed to be here with you and most of all on this Thanksgiving Day, ***Remember Brother Loves ya!***

Pray for me as I for you,

In Saint Anthony, Our Patron,
